Square Study Table in maple with inset Marmoleum top and data port option, center.

Cerino Study Carrel with lighting option, below left.

Modified upholstered bench, below right.

Cerino Rectangular Study Table in cherry.

## CERINO Collection

The Cerino Collection is universal in both appeal and design. Streamlined and stylish, Cerino complements its setting. The collection is functional and durable, without overpowering its surroundings or accompanying furniture.

Cerino tables and carrels features heavy, solid wood, tapered legs with a routed foot detail on the bottom of the legs. Tops are available with either wood veneer or Marmoleum insets with a solid wood, chamfered edge or a square edge. Cerino tables and carrels also can support data and power needs.

The Cerino Collection includes study tables, occasional tables, benches and carrels. It also adapts well to children's areas. Visit [agati.com](http://agati.com) for more options.

AGATI is defined by versatility. Designs combine a unique blend of aesthetics and engineering, distinguished by their eclectic styles. Inspired by the need for furniture that is both timeless and universal, AGATI is committed to the design and engineering of each and every piece.

Furniture built to last a lifetime means investing in the future. AGATI is dedicated to implementing sound environmental practices such as utilizing domestic reforested lumber, as well as reusable packaging materials. AGATI believes in helping preserve resources at no expense to the integrity of the product or the satisfaction of the customer.

Celebrated for its design. Chosen for its quality.
