Roma Lounge Chairs

## ROMA Lounge Collection

It's a rare occasion you see a Roma chair empty. The first chair in a room to be taken, the Roma Lounge Collection offers a warm, inviting sit. Exaggerated and rotund, the Roma's curved linear arms taper to offer a comfortable embrace and ample seat room. AGATI's signature back support provides hours of comfort whether lounging or studying.

Built for institutional use, the Roma Collection's strength is a perfect foil to its pleasing and abundant appeal. Satin nickel or chrome finish cast metal feet cap off each piece. The Roma Collection also includes a settee, sofa and matching ottoman and is also available as a sleeper lounge and sleeper sofa. Visit [agati.com](http://agati.com) to view more options.
