RIO PULL UP Lounge Collection

The Rio Pull Up is the perfect complement to its companion chair, the Rio Lounge. A slimmer, more agile version of the Lounge, the Rio Pull Up still features the Rio's signature curves, supported by tapered legs and a solid wood base or a new caster base option.

A stylish, casual alternative to the lounge chair, the Rio Pull Up's adaptability makes it an essential: comfortable lounge seating, contemporary guest seating, or supportive in institutional settings.

The Rio Pull Up is available as a bar or counter height stool, a children's chair and also with high back options. The Rio Pull Up is a part of the AGATI Rio Collection, which includes lounge chairs, settees, sofas and a matching ottoman. Visit www.agati.com to see more.
