DE PAUL Collection

The DePaul Collection exemplifies transitional design. Starting with classic, traditional design and adding a twist of contemporary, the DePaul Collection is one of Agati's most popular collections. Originally designed for the DePaul University Law Library Project, the collection emphasizes the inherent qualities of the wood grain, the elegance of the design's simplicity and the importance of craftsmanship.

Generous, vertical lines adorn a trestle base construction. DePaul tables emphasize their stepped, vertical detail showcasing classic design with a modern flair. Solid wood chair and bench frames feature vertical back slats, side leg and double center stretchers. Chairs come in either carved wood saddle seats or upholstered slip seats.

The DePaul Collection includes chairs, study tables, carrels, a variety of benches, dictionary and atlas stands, plus end panels. Visit www.agati.com to see more.
