FRYE collection

The Frye Collection typifies the Arts and Crafts movement. Reflective of its 19th century elegance, the Frye Collection is simple in design and reliable in construction. Tables are made out of solid wood frames with end slats. Lounge chairs provide upholstered seats and backs and come in both high or low back versions. Two and three seat sofas are also available.

A modest, welcoming collection that doesn't overpower its setting, the Frye Collection includes study tables, carrels, benches, lounge chairs, occasional tables and display items. Visit www.agati.com to see more.
