Celebrated for its design.
Chosen for its quality.

The Glenbrook Collection strikes the ideal balance between a contemporary and traditional statement. Glenbrook pieces are easily distinguished for their routed, grid detail adorning flush, wood veneer side panels. The precise, clean design allows the Glenbrook to easily cross over from one market to another.

A testament to its longevity, the Glenbrook was originally used in Northwestern Healthcare's Glenbrook Hospital. Having adapted with its setting throughout the years, the Glenbrook Collection can still be seen in the hospital, today.

GLENBROOK Collection

The Glenbrook Collection includes lounge seating with solid wood roll arms, arched seat rails and an upholstered seat and back. Rounding out the collection are study tables, occasional tables, carrels, atlas and dictionary stands, and end panels.
