We may deny your deletion request if retaining the information is necessary for us or our service provider(s) to:

1. We cannot respond to your request or provide you with personal information if we cannot verify your identity or authority to make the request and confirm the personal information relates to you.

Making a verifiable consumer request does not require you to create an account with us. We will only use personal information provided in a verifiable consumer request to verify the requestor's identity or authority to make the request.

Response Timing and Format

We endeavor to respond to a verifiable consumer request within forty-five (45) days of its receipt. If we require more time (up to 90 days), we will inform you of the reason and extension period in writing. We will deliver our written response by mail or electronically, at your option.

Any disclosures we provide will only cover the 12-month period preceding the verifiable consumer request's receipt. The response we provide will also explain the reasons we cannot comply with a request, if applicable. For data portability requests, we will select a format to provide your personal information that is readily useable and should allow you to transmit the information from one entity to another entity without hindrance.

We do not charge a fee to process or respond to your verifiable consumer request unless it is excessive, repetitive, or manifestly unfounded. If we determine that the request warrants a fee, we will tell you why we made that decision and provide you with a cost estimate before completing your request.

You do not need to create an account with us to exercise your opt-out rights. We will only use personal information provided in an opt-out request to review and comply with the request.

However, we may offer you certain financial incentives permitted by the CCPA that **can result** in different prices, rates, or quality levels. Any CCPA-permitted financial incentive we offer will reasonably relate to your personal information's value and contain written terms that describe the program's material aspects. Participation in a financial incentive program requires your prior opt in consent, which you may revoke at any time.
